

Workshop for Women in Differential Equations

UFABC - Santo André, Brazil, July 25-27
ICM 2018 Satellite Event

This is to certify that

Valeria N. Domingos Cavalcanti

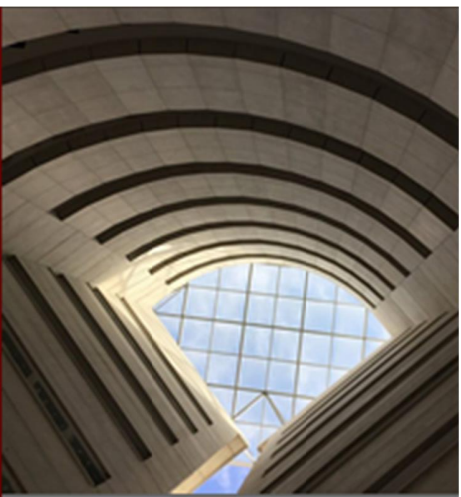

participated in the Workshop for Women in Differential Equations (ICM 2018 Satellite Event), held in Santo André, Brazil, from 25 to 27 July 2018, at the Universidade Federal do ABC, and presented the plenary talk - Exponential stability for the wave equation with localized memory.

Santo André, July 31, 2018

Juliana Fernandes da Silva Pimentel
Prof. Dr. Juliana Fernandes da Silva Pimentel
Chair of the Organizing Committee

A SATELLITE OF

Workshop for Women in Differential Equations

UFABC - Santo André, Brazil, July 25-27
ICM 2018 Satellite Event

This is to certify that

Monica Clapp

participated in the Workshop for Women in Differential Equations (ICM 2018 Satellite Event), held in Santo André, Brazil, from 25 to 27 July 2018, at the Universidade Federal do ABC, and presented the plenary talk - Existence and phase separation of solutions to a weakly coupled purely

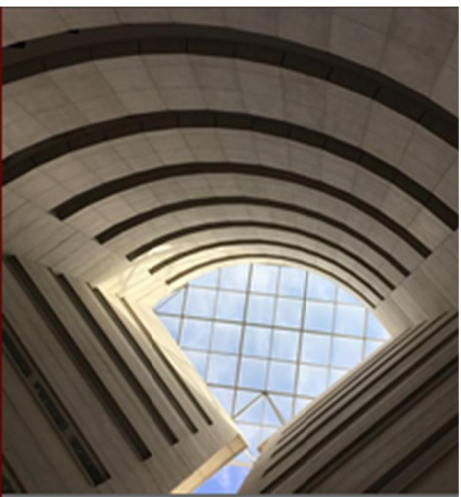

critical elliptic system.

A SATELLITE OF

Santo André, July 31, 2018

Prof. Dr. Juliana Fernandes da Silva Pimentel
Chair of the Organizing Committee

Workshop for Women in Differential Equations

UFABC - Santo André, Brazil, July 25-27
ICM 2018 Satellite Event

This is to certify that

Mimi Dai

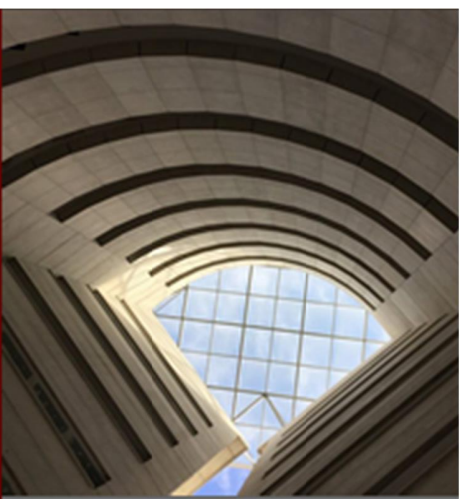

participated in the Workshop for Women in Differential Equations (ICM 2018 Satellite Event), held in Santo André, Brazil, from 25 to 27 July 2018, at the Universidade Federal do ABC, and presented the plenary talk - The existence of a global attractor for the forced critical surface quasigeostrophic equation in L^2 .

Santo André, July 31, 2018

Juliana Fernandes da Silva Pimentel
Prof. Dr. Juliana Fernandes da Silva Pimentel
Chair of the Organizing Committee

A SATELLITE OF

Workshop for Women in Differential Equations

UFABC - Santo André, Brazil, July 25-27
ICM 2018 Satellite Event

This is to certify that

Zuzana Dosla

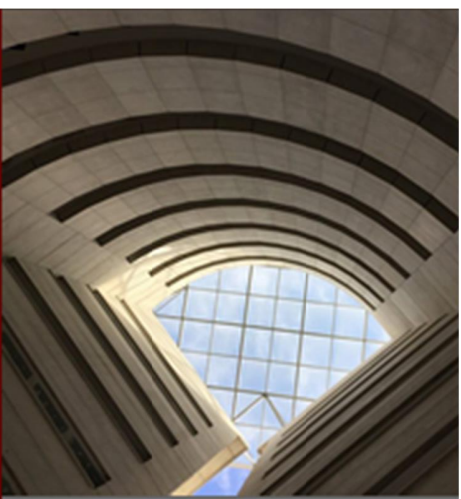

participated in the Workshop for Women in Differential Equations (ICM 2018 Satellite Event), held in Santo André, Brazil, from 25 to 27 July 2018, at the Universidade Federal do ABC, and presented the plenary talk - Asymptotic problems for second order differential equations..

Santo André, July 31, 2018

Juliana Fernandes da Silva Pimentel
Prof. Dr. Juliana Fernandes da Silva Pimentel
Chair of the Organizing Committee

A SATELLITE OF

Workshop for Women in Differential Equations

UFABC - Santo André, Brazil, July 25-27
ICM 2018 Satellite Event

This is to certify that

Helena J. Nussenzweig Lopes

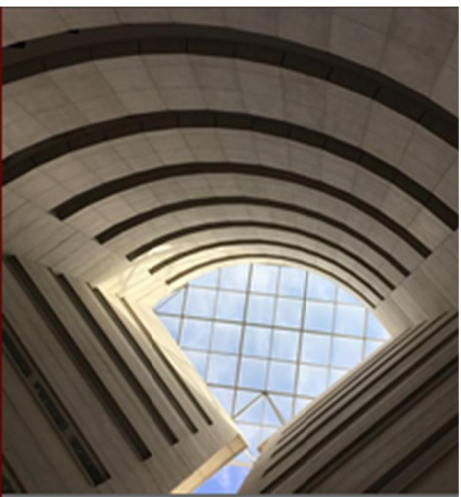

participated in the Workshop for Women in Differential Equations (ICM 2018 Satellite Event), held in Santo André, Brazil, from 25 to 27 July 2018, at the Universidade Federal do ABC, and presented the plenary talk - Fluids, walls and vanishing viscosity.

Santo André, July 31, 2018

Juliana Fernandes da Silva Pimentel
Prof. Dr. Juliana Fernandes da Silva Pimentel
Chair of the Organizing Committee

A SATELLITE OF

Workshop for Women in Differential Equations

UFABC - Santo André, Brazil, July 25-27
ICM 2018 Satellite Event

This is to certify that

Liliane A. Maia

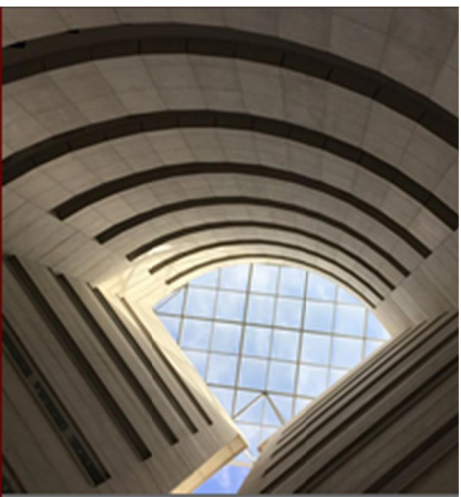

participated in the Workshop for Women in Differential Equations (ICM 2018 Satellite Event), held in Santo André, Brazil, from 25 to 27 July 2018, at the Universidade Federal do ABC, and presented the plenary talk - Semilinear Parabolic Equations with asymptotically linear growth.

Santo André, July 31, 2018

Liliane Fernandes da Silva Pimentel
Prof. Dr. Juliana Fernandes da Silva Pimentel
Chair of the Organizing Committee

A SATELLITE OF

Workshop for Women in Differential Equations

UFABC - Santo André, Brazil, July 25-27
ICM 2018 Satellite Event

This is to certify that

Agnieszka B. Malinowska

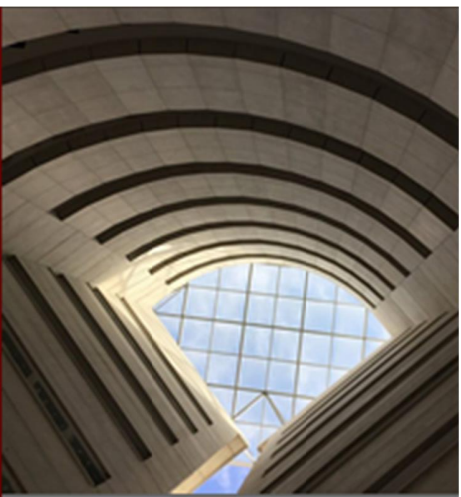

participated in the Workshop for Women in Differential Equations (ICM 2018 Satellite Event), held in Santo André, Brazil, from 25 to 27 July 2018, at the Universidade Federal do ABC, and presented the plenary talk - Optimal control of the discrete-time fractional-order Cucker-Smale model.

Santo André, July 31, 2018

Juliana Fernandes da Silva Pimentel
Prof. Dr. Juliana Fernandes da Silva Pimentel
Chair of the Organizing Committee

A SATELLITE OF

Workshop for Women in Differential Equations

UFABC - Santo André, Brazil, July 25-27
ICM 2018 Satellite Event

This is to certify that

Mayte Perez-Llanos

participated in the Workshop for Women in Differential Equations (ICM 2018 Satellite Event), held in Santo André, Brazil, from 25 to 27 July 2018, at the Universidade Federal do ABC, and presented the plenary talk - A Holder Infinity Laplacian obtained as limit of Orlicz Fractional Laplacians.

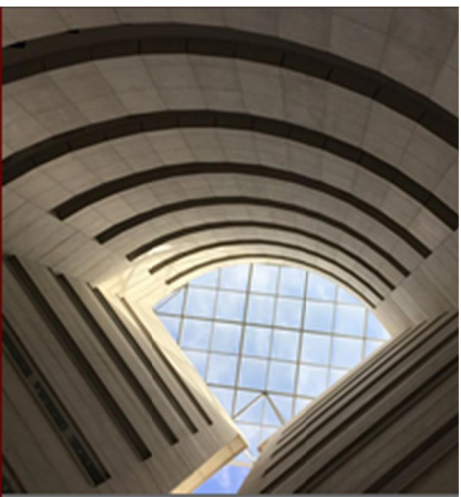

Santo André, July 31, 2018

Juliana Fernandes da Silva Pimentel

Prof. Dr. Juliana Fernandes da Silva Pimentel
Chair of the Organizing Committee

A SATELLITE OF

Workshop for Women in Differential Equations

UFABC - Santo André, Brazil, July 25-27
ICM 2018 Satellite Event

This is to certify that

Anna Mazzucato

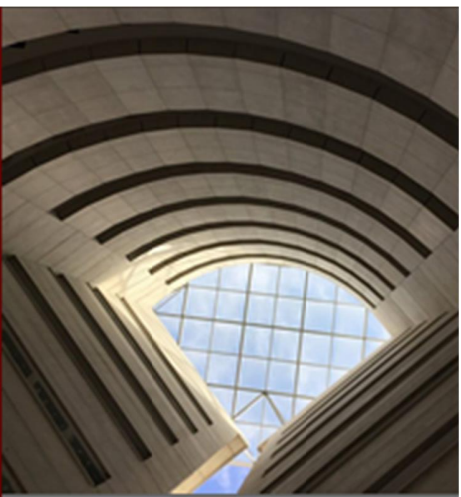

participated in the Workshop for Women in Differential Equations (ICM 2018 Satellite Event), held in Santo André, Brazil, from 25 to 27 July 2018, at the Universidade Federal do ABC, and presented the plenary talk - Optimal mixing and irregular transport by incompressible flows.

Santo André, July 31, 2018

Juliana Fernandes da Silva Pimentel
Prof. Dr. Juliana Fernandes da Silva Pimentel
Chair of the Organizing Committee

A SATELLITE OF

Workshop for Women in Differential Equations

UFABC - Santo André, Brazil, July 25-27
ICM 2018 Satellite Event

This is to certify that

Monica Musso

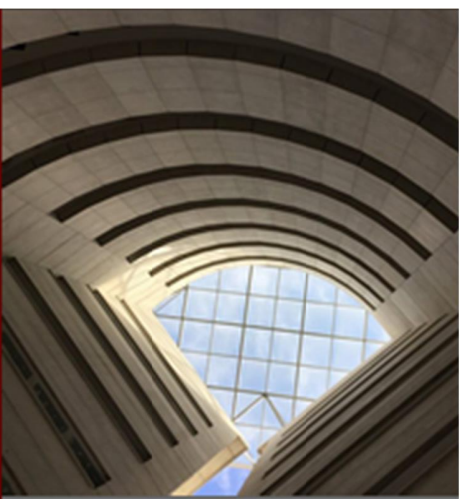

participated in the Workshop for Women in Differential Equations (ICM 2018 Satellite Event), held in Santo André, Brazil, from 25 to 27 July 2018, at the Universidade Federal do ABC, and presented the plenary talk - Infinite-time Bubbling in the Critical Nonlinear Heat Equation.

Santo André, July 31, 2018

Juliana Fernandes da Silva Pimentel
Prof. Dr. Juliana Fernandes da Silva Pimentel
Chair of the Organizing Committee

A SATELLITE OF

Workshop for Women in Differential Equations

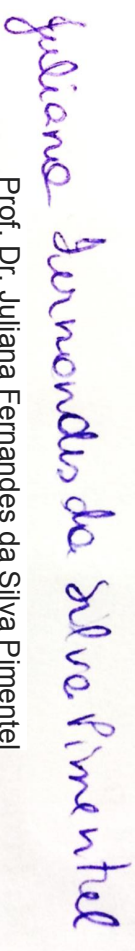

UFABC - Santo André, Brazil, July 25-27
ICM 2018 Satellite Event

This is to certify that

Angela Pistoia

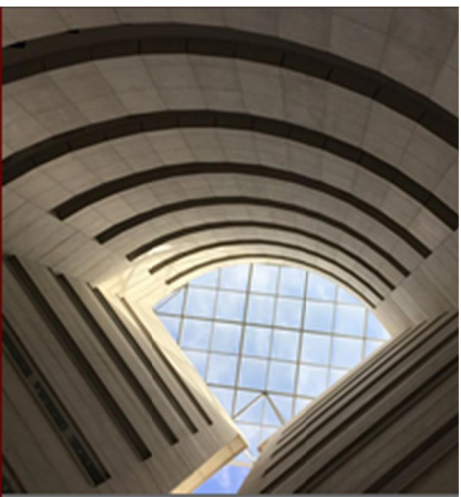

participated in the Workshop for Women in Differential Equations (ICM 2018 Satellite Event), held in Santo André, Brazil, from 25 to 27 July 2018, at the Universidade Federal do ABC, and presented the plenary talk - Blowing-up solutions for Yamabe-type problems.

Santo André, July 31, 2018

Prof. Dr. Juliana Fernandes da Silva Pimentel
Chair of the Organizing Committee

A SATELLITE OF

Workshop for Women in Differential Equations

UFABC - Santo André, Brazil, July 25-27
ICM 2018 Satellite Event

This is to certify that

Luz de Teresa

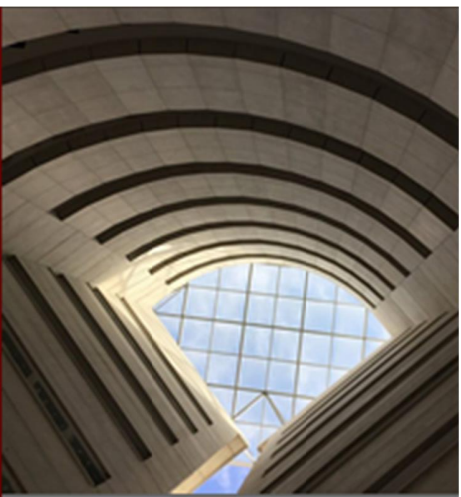

participated in the Workshop for Women in Differential Equations (ICM 2018 Satellite Event), held in Santo André, Brazil, from 25 to 27 July 2018, at the Universidade Federal do ABC, and presented the plenary talk - On hierarchic control for coupled parabolic equations.

Santo André, July 31, 2018

Juliana Fernandes da Silva Pimentel
Prof. Dr. Juliana Fernandes da Silva Pimentel
Chair of the Organizing Committee

A SATELLITE OF

Workshop for Women in Differential Equations

UFABC - Santo André, Brazil, July 25-27
ICM 2018 Satellite Event

This is to certify that

Susanna Terracini

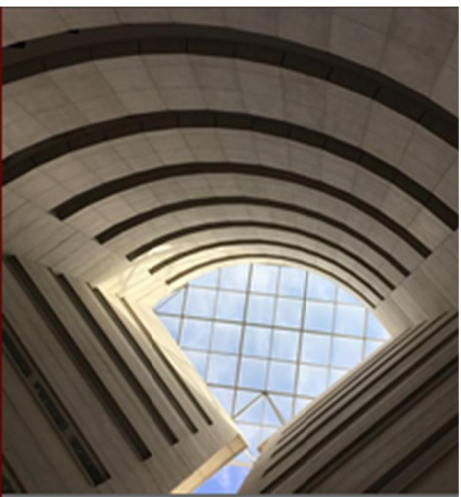

participated in the Workshop for Women in Differential Equations (ICM 2018 Satellite Event), held in Santo André, Brazil, from 25 to 27 July 2018, at the Universidade Federal do ABC, and presented the plenary talk - Spiralling and other solutions in limiting profiles of competition-diffusion systems.

Santo André, July 31, 2018

Juliana Fernandes da Silva Pimentel
Prof. Dr. Juliana Fernandes da Silva Pimentel
Chair of the Organizing Committee

A SATELLITE OF

Workshop for Women in Differential Equations

UFABC - Santo André, Brazil, July 25-27
ICM 2018 Satellite Event

This is to certify that

Rebecca Tyson

participated in the Workshop for Women in Differential Equations (ICM 2018 Satellite Event), held in Santo André, Brazil, from 25 to 27 July 2018, at the Universidade Federal do ABC, and presented the plenary talk - Modelling the Dynamics of the Canada Lynx and Snowshoe Hare Population Cycle.

Santo André, July 31, 2018
