

Workshop for Women in Differential Equations

UFABC - Santo André, Brazil, July 25-27
ICM 2018 Satellite Event

This is to certify that

Pádra D. S. Andrade

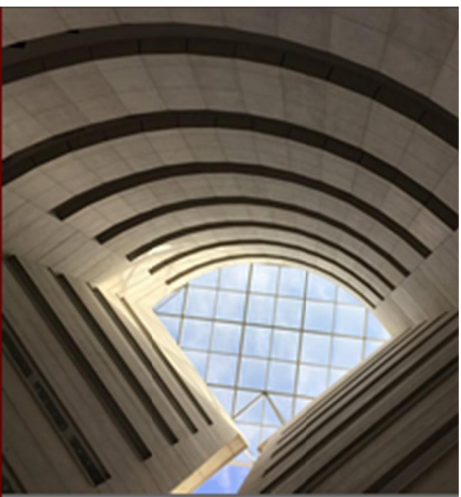

participated in the Workshop for Women in Differential Equations (ICM 2018 Satellite Event), held in Santo André, Brazil, from 25 to 27 July 2018, at the Universidade Federal do ABC, and presented the poster - Regularity theory for fully nonlinear mean-field games systems.

Santo André, July 31, 2018

Juliana Fernandes da Silva Pimentel
Prof. Dr. Juliana Fernandes da Silva Pimentel
Chair of the Organizing Committee

Workshop for Women in Differential Equations

UFABC - Santo André, Brazil, July 25-27
ICM 2018 Satellite Event

This is to certify that

Gleiciane da Silva Aragão

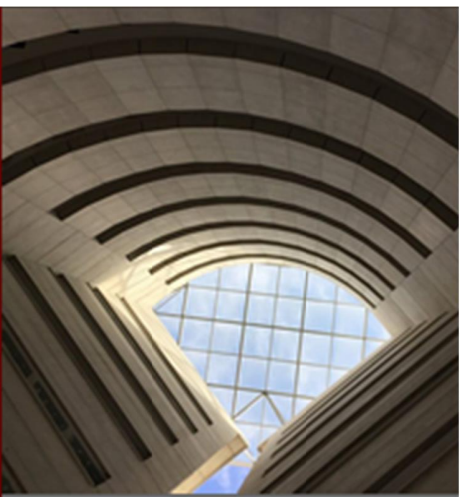

participated in the Workshop for Women in Differential Equations (ICM 2018 Satellite Event), held in Santo André, Brazil, from 25 to 27 July 2018, at the Universidade Federal do ABC, and presented the poster - Upper semicontinuity of the pullback attractors of non-autonomous damped wave equations with terms concentrating on the boundary.

Santo André, July 31, 2018

Prof. Dr. Juliana Fernandes da Silva Pimentel
Chair of the Organizing Committee

A SATELLITE OF

Workshop for Women in Differential Equations

UFABC - Santo André, Brazil, July 25-27
ICM 2018 Satellite Event

This is to certify that

Juliane Carolina Baiocchi Dalben

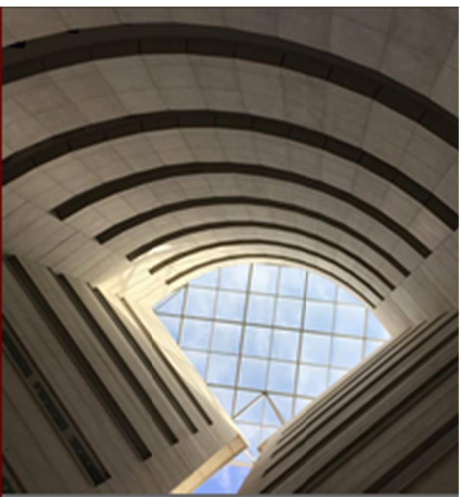

participated in the Workshop for Women in Differential Equations (ICM 2018 Satellite Event), held in Santo André, Brazil, from 25 to 27 July 2018, at the Universidade Federal do ABC, and presented the poster - Spectral Theory and Applications.

Santo André, July 31, 2018

Juliane Fernandes da Silva Pimentel
Prof. Dr. Juliana Fernandes da Silva Pimentel
Chair of the Organizing Committee

A SATELLITE OF

Workshop for Women in Differential Equations

UFABC - Santo André, Brazil, July 25-27
ICM 2018 Satellite Event

This is to certify that

Caroline Franco

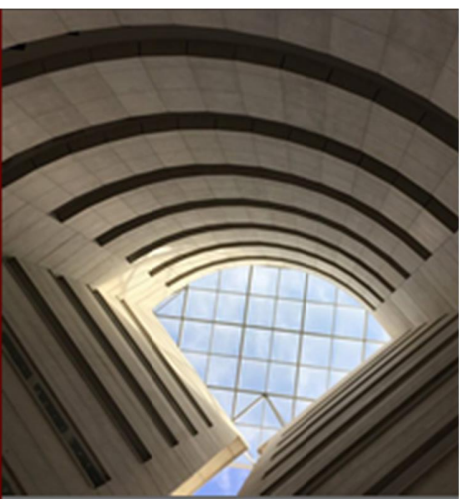

participated in the Workshop for Women in Differential Equations (ICM 2018 Satellite Event), held in Santo André, Brazil, from 25 to 27 July 2018, at the Universidade Federal do ABC, and presented the poster - Data-driven causality investigation of environmental drivers of dengue.

Santo André, July 31, 2018

Juliana Fernandes da Silva Pimentel
Prof. Dr. Juliana Fernandes da Silva Pimentel
Chair of the Organizing Committee

A SATELLITE OF

Workshop for Women in Differential Equations

UFABC - Santo André, Brazil, July 25-27
ICM 2018 Satellite Event

This is to certify that

Leonardo Epiphânio Galvão

participated in the Workshop for Women in Differential Equations (ICM 2018 Satellite Event), held in Santo André, Brazil, from 25 to 27 July 2018, at the Universidade Federal do ABC, and presented the poster - Singularity formation in toy models for incompressible flow.

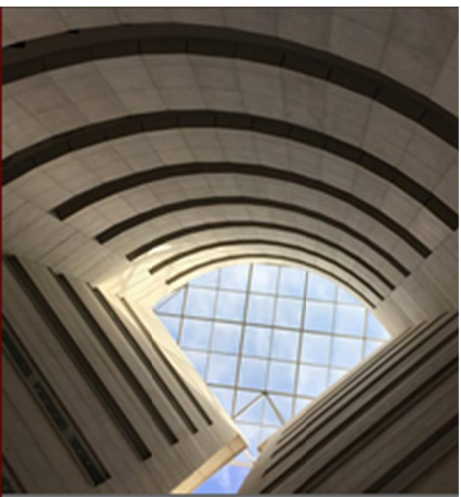

Santo André, July 31, 2018

Juliana Fernandes da Silva Pimentel

Prof. Dr. Juliana Fernandes da Silva Pimentel
Chair of the Organizing Committee

A SATELLITE OF

Workshop for Women in Differential Equations

UFABC - Santo André, Brazil, July 25-27
ICM 2018 Satellite Event

This is to certify that

Fiorella Maria Rendon Garcia

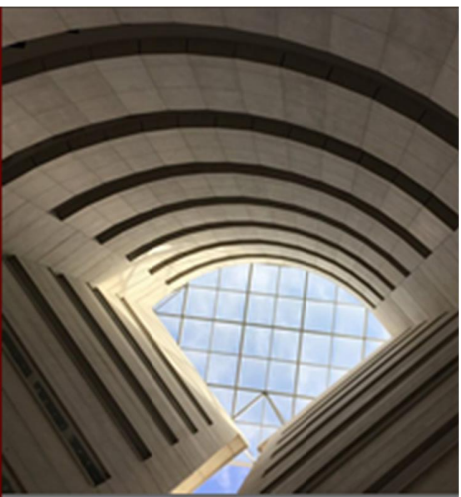

participated in the Workshop for Women in Differential Equations (ICM 2018 Satellite Event), held in Santo André, Brazil, from 25 to 27 July 2018, at the Universidade Federal do ABC, and presented the poster - Implicit Differential Equation applied to the Study of Rarefaction Curves.

Santo André, July 31, 2018

Juliana Fernandes da Silva Pimentel
Prof. Dr. Juliana Fernandes da Silva Pimentel
Chair of the Organizing Committee

A SATELLITE OF

Workshop for Women in Differential Equations

UFABC - Santo André, Brazil, July 25-27
ICM 2018 Satellite Event

This is to certify that

Karen A. Oliveira

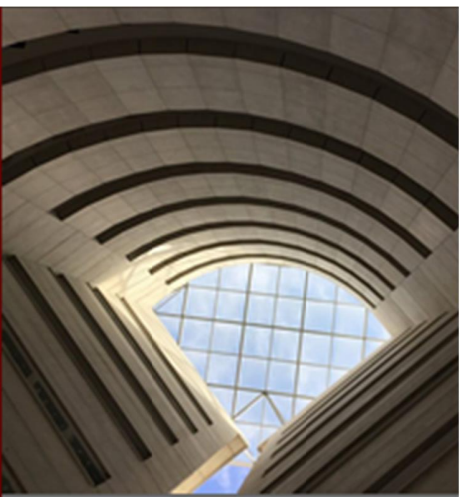

participated in the Workshop for Women in Differential Equations (ICM 2018 Satellite Event), held in Santo André, Brazil, from 25 to 27 July 2018, at the Universidade Federal do ABC, and presented the poster - Combining random searches dynamics: analysis of population redistribution patterns for the exponential and logistic cases.

Santo André, July 31, 2018

Prof. Dr. Juliana Fernandes da Silva Pimentel
Chair of the Organizing Committee

A SATELLITE OF

Workshop for Women in Differential Equations

UFABC - Santo André, Brazil, July 25-27
ICM 2018 Satellite Event

This is to certify that

Aldo Pereira

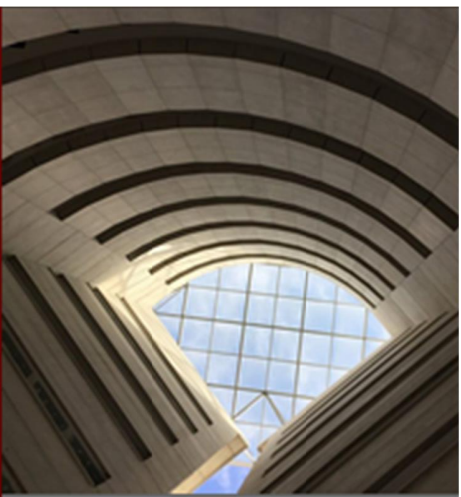

participated in the Workshop for Women in Differential Equations (ICM 2018 Satellite Event), held in Santo André, Brazil, from 25 to 27 July 2018, at the Universidade Federal do ABC, and presented the poster - Cosine and sine functions on time scales.

Santo André, July 31, 2018

Juliana Fernandes da Silva Pimentel
Prof. Dr. Juliana Fernandes da Silva Pimentel
Chair of the Organizing Committee

A SATELLITE OF

Workshop for Women in Differential Equations

UFABC - Santo André, Brazil, July 25-27
ICM 2018 Satellite Event

This is to certify that

Mayra S. C. Rodrigues

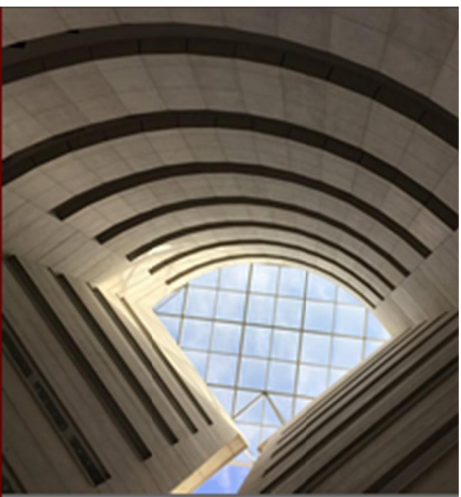

participated in the Workshop for Women in Differential Equations (ICM 2018 Satellite Event), held in Santo André, Brazil, from 25 to 27 July 2018, at the Universidade Federal do ABC, and presented the poster - Asymptotically Linear Indefinite Problems in \mathbb{R}^n via an Abstract Linking Theorem.

Santo André, July 31, 2018

Juliana Fernandes da Silva Pimentel
Prof. Dr. Juliana Fernandes da Silva Pimentel
Chair of the Organizing Committee

A SATELLITE OF

Workshop for Women in Differential Equations

UFABC - Santo André, Brazil, July 25-27
ICM 2018 Satellite Event

This is to certify that

Makson S. Santos

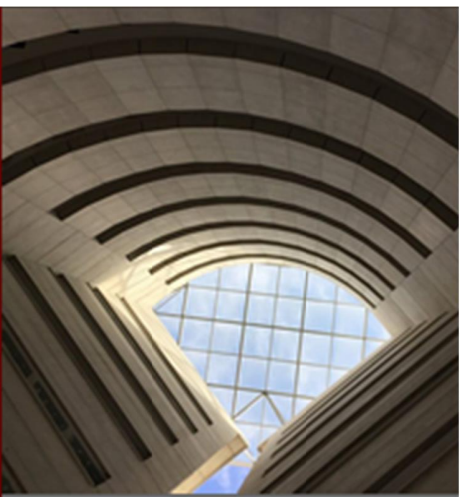

participated in the Workshop for Women in Differential Equations (ICM 2018 Satellite Event), held in Santo André, Brazil, from 25 to 27 July 2018, at the Universidade Federal do ABC, and presented the poster - Geometric regularity for elliptic equations in double-divergence form.

Santo André, July 31, 2018

Juliana Fernandes da Silva Pimentel
Prof. Dr. Juliana Fernandes da Silva Pimentel
Chair of the Organizing Committee

A SATELLITE OF

Workshop for Women in Differential Equations

UFABC - Santo André, Brazil, July 25-27
ICM 2018 Satellite Event

This is to certify that

Schehrazad Selmane

participated in the Workshop for Women in Differential Equations (ICM 2018 Satellite Event), held in Santo André, Brazil, from 25 to 27 July 2018, at the Universidade Federal do ABC, and presented the poster - Dynamics and Control of the Transmission of Cutaneous Leishmaniasis.

Santo André, July 31, 2018

Juliana Fernandes da Silva Pimentel
