Workshop for Women in Differential Equations

UFABC - Santo André, Brazil, July 25-27

ICM 2018 Satellite Event

A SATELLITE OF

This is to certify that
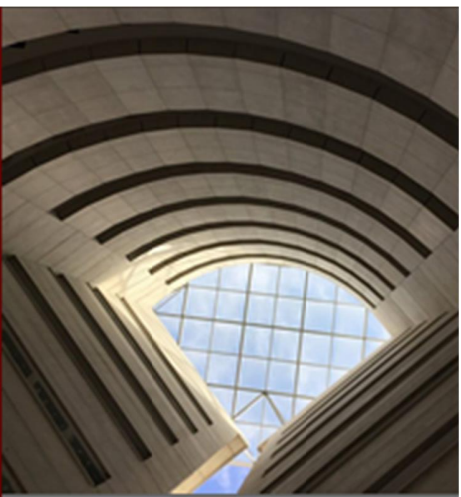

Andrea Cristina Prokopczyk Arita

participated in the Workshop for Women in Differential Equations (ICM 2018 Satellite Event), held in Santo André, Brazil, from 25 to 27 July 2018, at the Universidade Federal do ABC, and presented the talk - Controllability for a class of neutral differential equations with delay.

Santo André, July 31, 2018

Juliana Fernandes da Silva Pimentel

Prof. Dr. Juliana Fernandes da Silva Pimentel
Chair of the Organizing Committee

ICM 2018

ICM 2018
RIO DE JANEIRO
INTERNATIONAL CONGRESS
OF MATHEMATICIANS

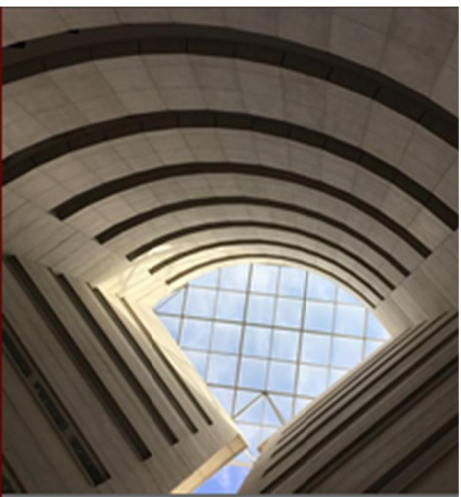

This is to certify that

Pricila Barbosa

participated in the Workshop for Women in Differential Equations (ICM 2018 Satellite Event), held in Santo André, Brazil, from 25 to 27 July 2018, at the Universidade Federal do ABC, and presented the talk - Continuity of attractors for a family of semi linear parabolic problems in Lipschitz domains.

Santo André, July 31, 2018

Juliana Fernandes da Silva Pimentel

Prof. Dr. Juliana Fernandes da Silva Pimentel
Chair of the Organizing Committee

Workshop for Women in Differential Equations

UFABC - Santo André, Brazil, July 25-27

ICM 2018 Satellite Event
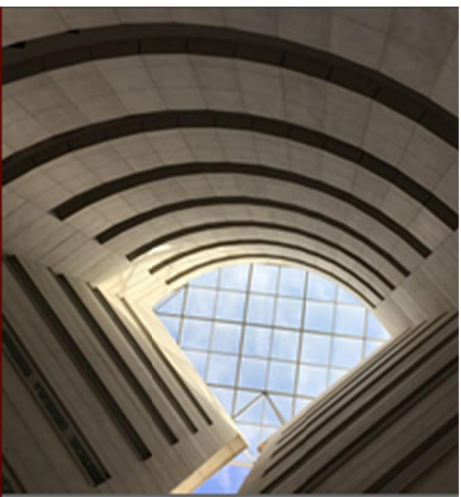

This is to certify that

Rayssa Caju

participated in the Workshop for Women in Differential Equations (ICM 2018 Satellite Event), held in Santo André, Brazil, from 25 to 27 July 2018, at the Universidade Federal do ABC, and presented the talk - Asymptotic Behaviour of solutions for a coupled elliptic system in the punctured ball.

Santo André, July 31, 2018

Juliana Fernandes da Silva Pimentel

Prof. Dr. Juliana Fernandes da Silva Pimentel
Chair of the Organizing Committee

A SATELLITE OF

This is to certify that

Zhanna Kuznetsova

participated in the Workshop for Women in Differential Equations (ICM 2018 Satellite Event), held in Santo André, Brazil, from 25 to 27 July 2018, at the Universidade Federal do ABC, and presented the talk - Levi-Leblond equations and their symmetries.

Santo André, July 31, 2018

Prof. Dr. Juliana Fernandes da Silva Pimentel
Chair of the Organizing Committee

Workshop for Women in Differential Equations

UFABC - Santo André, Brazil, July 25-27

ICM 2018 Satellite Event

A SATELLITE OF

This is to certify that

Taynara de Andrade da Costa Lima

participated in the Workshop for Women in Differential Equations (ICM 2018 Satellite Event), held in Santo André, Brazil, from 25 to 27 July 2018, at the Universidade Federal do ABC, and presented the talk - Homogenization of Liouville equation from Stochastic Deformations.

Santo André, July 31, 2018

Prof. Dr. Juliana Fernandes da Silva Pimentel
Chair of the Organizing Committee

Workshop for Women in Differential Equations

UFABC - Santo André, Brazil, July 25-27

ICM 2018 Satellite Event

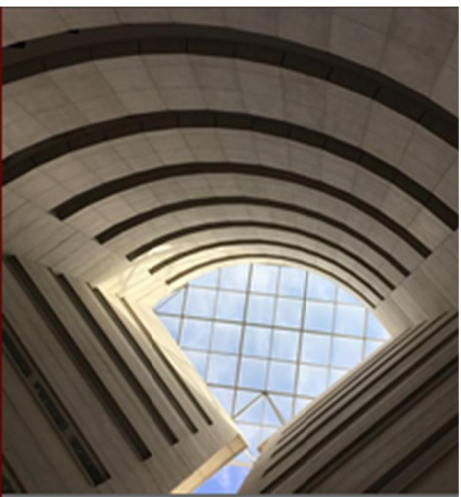

This is to certify that

Juliana Honda Lopes

participated in the Workshop for Women in Differential Equations (ICM 2018 Satellite Event), held in Santo André, Brazil, from 25 to 27 July 2018, at the Universidade Federal do ABC, and presented the talk - Well-posedness for a non-isothermal flow of two viscous incompressible fluids.

Santo André, July 31, 2018
