

Dear Author,

ideas 2019 conference is now open for receiving your revised paper based on reviewers' comments. We require five documents from you to successfully complete this submission phase, which are:

1. Your complete revised paper (with authors information) including figures and tables, in **doc or docx** format. The paper should be formatted in the Springer template provided and should be **strictly within 10 pages**.
2. A **single zip file of all images**. Image quality should be of at least **300 dpi**.
3. **All authors and co-authors** should **sign Springer copyright** form in **PDF**. Please send a PDF of all signed consents together with the final manuscript and permissions. format. The copyright form can be accessed in ideas website "Welcome" module.
4. A **'Response to Reviewers'** file in PDF format. In this document, you should specify your response to each comment from the reviewers, and indicate where and how the paper has been changed to take the comment into account.
5. Excerpts from copyrighted works (including websites) such as illustrations, tables, animations, or text quotations are included in the manuscript need to obtain permission from the copyright holder (usually the original publisher) for publication. You can obtain permission to reproduce figures from other publishers journal articles directly from the article abstract online:
 - 5.1 Go to the article homepage where the figure/table you want to reuse comes from
 - 5.a Click on the "Request permission" Link
 - 5.3 Follow the online instructions and select your requirements from the drop down options to gain a "quick quote"
 - 5.4 Read and accept the terms and conditions and download your license
 - 5.5 Please collect and save all permissions and submit them to me at the very end, together with your final manuscript.
 - 5.6 Please comply with the instructions stipulated in the permission(s) concerning acknowledgements or credit lines within your manuscript (e.g., reference to the copyright holder in captions) and keep the written confirmation of the permission in your possession with the copy of your manuscript.
 - 5.7 Please be aware that some publishers do not always grant right of reproduction for free. Springer will not be able to refund any costs that may have been incurred in receiving these permissions. As an alternative, material from other sources should be used.
6. A document in doc or docx format, containing a single sentence of no more than 30 words stating the most significant findings from your paper.
7. The final papers will go through a routine plagiarism check, and a check for revisions suggested by the authors, before publication

By 16 May, 2019 please upload all the above documents on a folder on the Google Drive.
